COMPLETE CAMPUS COVERAGE

Budget-Maximizing School Safety Programs

Acrylic Source+ has developed one of the most efficient, effective COVID-19 school safety programs in the country. From personal safety, separation, sanitization, and signage to staff training and installation services, we've got you covered.

Our products are built to serve you now, and in the future. Don't waste your budget or time on products that are made with subpar materials not built to last, or that take advantage of current demands to drive prices higher.

Contact us today to see how we can best serve your district.
